## 10 DAYS OF PRAYER

- 1** Pray for a softening of the hearts of U.S. governors, State lawmakers, and members of Congress to the gospel. Pray for them to see babies in the womb and their mothers as valuable people made in the image of God.
- 2** Pray for women around the world who feel as if they have no other option than to end the life of their unborn child.
- 3** Pray for the fathers of unborn children to encourage women to choose life for their child and that they would get involved with appropriate support for life.
- 4** Pray for the Church. Pray that she will be able to show love and compassion to women in unexpected pregnancies. Pray that she will continue this love and compassion for women that choose life or an abortion.
- 5** Pray for the Christ-exalting pregnancy resource centers throughout the U.S. and the world. Pray for their protection. Pray that women in unexpected pregnancies will be connected with them.
- 6** Pray for the abortion providers in the U.S. and around the world. Pray for their salvation, and for their eyes to be opened to the precious lives they are seeking to abort.
- 7** Pray for those providing abortion recovery services. Pray that women will connect to them and will learn about forgiveness and redemption through Christ.
- 8** Pray for OBGYNs. Pray that pro-life OBGYNs will flourish, and women will be led to these practices divinely.
- 9** Pray that the Lord will use whatever means necessary to give women truthful information about the adoption option.
- 10** Pray that, in God's miraculous way, women will connect with Lifeline Children's Services and other Christ-exalting pregnancy counseling ministries so that we will have an opportunity to share the gospel with them.

## HOW CAN YOU RESPOND?

- 1** Relational Ministry - Establish ministry outlets to connect and walk with women in unexpected pregnancies. Your church can begin by creating a small group with committed mentors to support and disciple women through their pregnancies, and envelop them in the love of Christ.
- 2** Support Families - Get involved with struggling families. Minister to them in various ways such as becoming a foster parent to care for children whose birth families chose life but were not equipped to parent. Or, support families working to be reunified with their children through Families Count. Visit [lifelinechild.org/families-count](http://lifelinechild.org/families-count).
- 3** Refer - Point women to like-minded ministries who are equipped to care for them holistically and from a gospel-centered, pro-life perspective. You can connect someone with Lifeline by 1) sharing the website [pregnant.lifelinechild.org](http://pregnant.lifelinechild.org) or 2) sharing our pregnancy counseling number, **1-800-875-5595**.
- 4** Be Loving & Committed - Affirm the value of the woman you are walking with. Affirm the value of life in her womb. Encourage women to consider options for her child, and talk with her about life-affirming options (parenting and adoption). Acknowledge that some women truly do not feel equipped to parent, and that is OK. We cannot make the decision for her, but we must walk with her and point her to truth as she makes the decision. This means entering into the difficulty of her circumstances; bearing with her through the inevitable hard choices and struggles; and sharing the love, truth, and forgiveness of Christ along the way.
- 5** Provide - Holistically caring for women in unexpected pregnancies means offering emotional, spiritual, and physical support. Providing a hospital care bag, funds for a month's rent, food, or clothes can make a huge difference. The Well is a Lifeline initiative that meets these needs for expectant women and provides abundant opportunities for counselors to share about the One who can meet their ultimate spiritual need.
