

## This Summer...

Lifeline Children's Services will be helping us learn about what life is like for kids, just like ours, in the West African nation of Liberia.

### Mission Kid is a 5-session video-based curriculum designed to:

- Captivate kids with short, kid-friendly videos to connect them with the needs of orphaned and vulnerable children around the world.
- Teach kids about God's call to take the gospel to orphaned and vulnerable children and to care for them in Jesus' name.
- Give kids practical ways to help orphaned and vulnerable children right now.
