

Honduras Travel Requirements

In Country Process:		
Number of Trips to Honduras?	2 trips	
Length of Travel	Trip 1: 7-10 days Trip 2: 4-6 weeks	Note: there will be a time period of an estimated 4-5 months between trips. Also, all timelines may vary due to many entities outside of Lifeline's control can cause the timeline to vary (ie: local courts, passport office, etc)
Are both adoptive parents required to travel in country (for married applicants)?	Yes	Note: Both parents required for first trip and also for the beginning of second trip. Both parents must be present for all legal processes.
Can current children in the home also travel?	Yes	Note: this decision will be based on the family's determination, but the country is open to the entire family traveling during this time in country.
Where in country are families required to travel?	Capital	
Is the adoption finalized in country?	Family will go through court process in country. However, re-adoption in the USA will be needed to complete the entire adoption process.	
Will someone be in country to assist with the logistics and adoption finalization process?	Yes	Lifeline has an excellent team in country that will help coordinate travel plans and assist all families while in country.
